RESPONSE TO COMMUNICATION

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

This is in response to a Communication mailed 27 January 2010, setting a date for response of 27 February 2010. According to this paper, the amendment filed on 19 October 2009 was considered non-compliant as assertedly each claim was not provided with a proper status identifier.

In reality, proper status identifiers were provided. However, there was a typographical error on page 5 of the Response which referred to claim 11 in the fourth paragraph; claim 12 should have been referred to.

To avoid confusion, a complete corrected copy of the Response is submitted.
